Forward Looking Statement

This presentation includes certain “forward-looking statements” within the meaning of section 21E of the United States Securities Exchange Act of 1934, as amended. Forward-looking statements include without limitation, statements regarding future production, potential mineralization and reserves, exploration results and future plans and objectives of Eagle Royalties Ltd. (Eagle Royalties). Forward-looking statements can generally be identified by the use of forward-looking terminology such as “may,” “will,” “expect,” “intend,” “estimate,” “anticipate,” “believe,” or “continue” or the negative thereof or variations thereon or similar terminology. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Because Eagle Royalties Ltd. has been created by way of plan of arrangement with Eagle Plains Resources assets, important factors that could cause actual results to differ materially from expectations are disclosed under the heading “Risk Factors” in Eagle Plains Resources 2022 Annual Report and under the heading “Trends, Risks, and Uncertainties” in the Eagle Plains 2022 Annual Information Form (AIF) which is filed with Canadian regulators on SEDAR (www.sedar.com).
